The 5th Conference

- Organized by APEC Human Resources Development Working Group, the Ministry of Education and Science of the Russian Federation and Far Eastern Federal University (FEFU).
- Attended by official delegations from 13 APEC economies: Brunei Darussalam, Vietnam, Indonesia, China, Mexico, the Republic of Korea, Japan, Peru, Russia, Singapore, Thailand, the Philippines and Chile.
- Held on the sidelines of the Eastern Economic Forum (EEF)

The Conference was also attended by Russian Deputy Foreign Minister Igor Morgulov and H.E. Ambassador of the Republic of Chile in the Russian Federation Juan Eduardo Agovirin

Program and considerations

- the key priorities of APEC 2016 and the outcome documents of the upcoming 6th AEMM in Peru
- APEC Education Strategy
- inclusive economic growth
- investments in human capital and their impact on regional development
- the agenda of the 6th AEMM in Peru in October 2016

APEC JUNIOR EDUCATION MEETING 2016

The conference also hosted AJEM - productive and useful discussion between young scientists and professionals of 25-35 years which provided many useful ideas for potential consideration within APEC:

- market-oriented educational programs
- cross-border public-private collaboration
- continuous monitoring of labor market
- transition from school to work
- inputs to APEC Education Strategy
